

**MNCCC Bilingual Adaption
Notes from November 19, 2011**

Lora Kussman was attended this meeting to discuss the plans for the Adaptation project from DHS.

- There was a discussion of the TOT's which are being developed this spring and it was suggested that they be offered in the fall or spring of next fiscal year.
- Lora discussion the desire to build a framework for other language groups.
- It was recommended that we look at the work of Diane Harkins at UC Davis who has been training child care providers since 2003.
- also Washington State is doing training in CC R&R's that is differentiated, uses a universal design and addresses all cultural groups (Henderson).
- We discussed the fact that this is the development of a process model for other languages and cultural adaptations.
