

Additional Information: Trainer approval and Transcript re-evaluation

The status of trainers will be re-evaluated when submitting courses and training events for approval. If MNCPD is unable to confirm previously awarded trainer types, trainer accounts will be placed on hold. Trainers may continue conducting trainings but these trainings will be credited as other clock hours, instead of MNCPD approved training hours.

MNCPD encourages trainers to sign in to their Develop accounts and check their status. Trainers are advised to directly contact MNCPD by submitting questions to support@mncpd.org.

MNCPD is committed to accurately recognizing the educational achievements and professional experiences of trainers. We thank you for your commitment to providing high quality learning opportunities for practitioners.

Sincerely,

Betzaida Vera-Heredia, M.S.
MNCPD Director of Operations
Trainer and Training Approval
